It’s in the name. We serve Tulsa’s homeless and at-risk youth. Why? Because we believe that the youth we’re investing in today, are going to be the adults of tomorrow. By providing them with a support network, we set youth on a path to independence.

YST is the only Tulsa-area non-profit exclusively serving adolescents, and in many cases, we’re the only provider of these services.

Why do we do this? Because they need us.

Everyone makes mistakes, including youth. It’s a part of growing up and these mistakes shouldn’t ruin a bright future. Partnering with parents, juvenile justice, and service providers allows YST to help give youth the second chance they deserve.

A little preemptive education goes a long way, and we offer it through a number of services. By utilizing our Youth Development Programs, young people have an outlet for their self-expression and a path to success.

My counselor at YST listens to me and helps me see solutions to problems that I couldn’t see on my own.

Sometimes, you just need a little help. YST counseling assists youth and their families through the twists and turns of adolescence and helps smooth the transition into adulthood. Counseling plays a role in nearly all YST programs.
